Internal Checks, Balances, and Reviews	against it, so it's important for the team to spell out how internal
	checks and balances and reviews will be handled. What is expected of
	each sub-team and team member, and when? How often are full team
	check-ins, and what kind of topics should be covered? What are the

	Consider the SMART goal acronym: Specific, Measurable,
	Achievable, Realistic, and Time-based.
